Peter,

Thank you for your assistance on this. . .

First, we discovered the paper got his birthday wrong, it is November 27 NOT November 25 as I put in our draft.

Also, we would like to eliminate the second line that talks about him being an "avid outdoorsman" . . . I guess Lassa's office wants to do their own Resolution and want to use that line. . . Instead please include. . ."Whereas Sergeant Uhl inherited a love of the outdoors and demonstrated skill as both a hunter and an angler."

I apologize for making those changes and appreciate your help.
